

11/19/2020

Dear Akron Auto Auction Family,

The Akron Auto Auction is committed to the safety and health of our employees. We want to inform you we have received information this morning of a confirmed COVID-19 case within our staff. This employee was last in the office on Tuesday, November 10th, had a mask on the entirety of the workday, and has been in quarantine since.

The health and safety of our guests and employees is our top priority. We have implemented comprehensive service, safety and sanitation protocols since April and all areas within the auction are repeatedly cleaned and disinfected.

We would like to remind everyone to please stay home if you are not feeling well or have come in contact with someone who has tested positive, take your temperature every morning before reporting to work, wear your masks, and please follow the CDC guidelines available on their website. Our thoughts are with our guests and employees as we continue to navigate this challenging situation.

Take care and stay safe,

Caysie Payne
